Southern District of New York

United States of America

v.

Corey Samerson

Date of Original Judgment:

08/31/2022

Date of Previous Amended Judgment:

(Use Date of Last Amended Judgment if Any)

Case No: 22-cr-73

USM No: 76141-054

Amy Gallicchio

Defendant's Attorney

ORDER REGARDING MOTION FOR SENTENCE REDUCTION  
PURSUANT TO 18 U.S.C. § 3582(c)(2)

Upon motion of ☒ the defendant ☐ the Director of the Bureau of Prisons ☐ the court under 18 U.S.C. § 3582(c)(2) for a reduction in the term of imprisonment imposed based on a guideline sentencing range that has subsequently been lowered and made retroactive by the United States Sentencing Commission pursuant to 28 U.S.C. § 994(u), and having considered such motion, and taking into account the policy statement set forth at USSG §1B1.10 and the sentencing factors set forth in 18 U.S.C. § 3553(a), to the extent that they are applicable,

IT IS ORDERED that the motion is:

☐ DENIED. ☒ GRANTED and the defendant's previously imposed sentence of imprisonment (as reflected in the last judgment issued) of 84 months is reduced to 70 months.

(See Page 2 for additional parts. Complete Parts I and II of Page 2 when motion is granted)

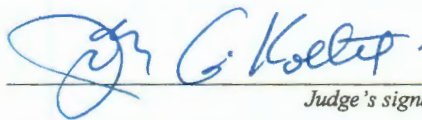

The original Guideline Sentencing Range was 77 to 96 months. The original offense level was 22, and the criminal history category was V based on 10 criminal history points. See Sentencing Tr. at 14; Presentence Investigation Report at 4, 11. The criminal history category included 2 points because the defendant committed the offense while under a criminal justice sentence. As a result of Amendment 821, only 1 point is added because the defendant committed the offense while under a criminal justice sentence and had at least 7 other criminal history points, see U.S.S.G. § 4A1.1(e), reducing the defendant's criminal history points to 9, criminal history category to IV, and reducing the Guideline Sentencing Range to 63 to 78 months. The Court has therefore considered the 18 U.S.C. § 3553(a) factors and determined that the defendant's sentence should be reduced principally to 70 months' imprisonment, a sentence that is sufficient but no greater than necessary to take into account the sentencing factors in section 3553(a)(2).

Except as otherwise provided, all provisions of the judgment dated 08/31/2022 shall remain in effect.

IT IS SO ORDERED.
